

Fredrek Von Krydil

Bridge to the Afterlife

Character Description

Fredrek Von Crydil, Bridge to the Beyond, comes from a long line of central European mediums descended from the Great Angelov Crydil. By channelling the Great Angelov, the Medium is able to speak to the dead. Medium claims to have come to America, the land of promise, to use this ability to bring grievers closure. Business is booming--which Fredrek is very proud of--and Fredrek now leads a very lavish life.

Fredrek been hired by The Burger King, to learn the secrets of McDonalds recipes. This is quite typical. Fredrek's primary work is as a corporate spy.

To do this, Fredrek has had to dig up a grave or two.

Secrets and Lies

- Huxley was crooked. You found out, blackmailed him, and are here to collect.
 - Jim Hopper used to be Huxley's Deputy. He probably knew.
 - Batman is Bruce Wayne.
 - Huxley once paid you to talk to his dead wife, Sofia Goldfinch. They spoke about their daughter "our beautiful rose."
 - When talking to Joyce yesterday, you saw a small pouch of drugs fall out of her purse.
-

Relationships

- Has a good working relationship with Detective P.
 - Hired by Batman to speak to his parents, since them became friends.
 - Joyce Byers came up to you yesterday at Crime Con. She wanted to talk about the paranormal, the supernatural, everything you love. Unfortunately, she was clearly strung out and way off base. She annoys you.
 - Jacque Clousaue you do not respect. You know a con man when you see one.
 - Detective Pikachu can't normally speak and not a human. You talk to ghosts. This has drawn you together during conventions.
-

Objectives

1. Expose Clouseau as a phony.
2. Huxley can't have been working alone, find someone else to blackmail for the \$10k. Probably someone that works with or used to work with Huxley.
3. Without tipping off anyone too goody two shoes, find someone willing to help you get access to graves.
