Relationships

- Unrequited lover of Joyce
- Jacque Clouseau makes you laugh, even if he doesn't mean to. Worth keeping him around.
- You see a bit of yourself in Mike Sullivan; lazy, uninterested, and unmotivated. You hate that, and project it onto Mike.
- Jim Murphy is so stiff and a total government lapdog.

Objectives

1. You are ashamed to have been in The Vile Assembly when you were a deputy. Don't let it be revealed to the group.
2. Convince Joyce to love you.
3. Whoever killed Huxley may be targeting The Vile Assembly. They may think you're still in. Make sure you either have dirt on that person OR can expose them before they find you.
